I'm excited to partner with ORU Missions for a mission trip to Djibouti in East Africa this summer! Serving the nations and sharing the Gospel is something the Lord has placed on my heart, and my university's Missions & Outreach Department has opportunities to go on short-term mission trips. Their vision is to be a "strategic short-term investment in the long-term Kingdom work," and they have been sending teams to this local church for several years.

My team and I will be going from May 14 to June 11, and it will be an incredible month of serving a local church, partnering with an orphanage, and supporting long-term contacts who have served the community for many years. I would love to ask for prayer for my team, our contact, and the people we'll be serving.

If you want to support me through finances, **my trip cost is \$3,800**. The price includes my flights, accommodations, transportation in-country, and food. If you would like to support me financially, you can find details about how to donate. I truly appreciate your prayers as I spend the year training and preparing to serve the nation of Djibouti.
